Dear Sam,

I am writing to you on behalf of 1st Birdham & Witterings Scout Group. Our Scout headquarters are at Crooked Lane Birdham PO20 7HA. We run weekly meetings individually for Beavers, Cubs and Scouts. Meetings, activity days and weekend camps are run with Adult Volunteer Scout Leaders and the help of parents and other volunteers. Through recreation, Scouting achieves its purpose of helping young people develop physically, intellectually, socially, and spiritually. Scouting is all about building confidence and self-esteem, learning important life skills and leadership skills, team building, outdoor adventure, education, and fun! Scouts learn how to make good choices and to take responsibility for their actions so that they are prepared for their adult life as independent persons.

Over the winter at our Scout HQ we developed a leak in the flat roof of our kitchen and storage room. We were able to temporary seal it but it now requires more urgent attention. We have received a quote from a roofing company who has kindly given us a charity priced quote of £693.00. We would like to enquire if the Parish Council could support us with any grant or funding to aid us in replacing the roof please and enclose the relevant quote.

Your consideration would be greatly appreciated and I look forward to hearing from you.

Yours faithfully,

Samantha Bacon
